

At Grace Lutheran Church Pre-School we believe children learn best in a loving, caring environment that promotes hands-on, developmentally appropriate practices. This includes a distinctly Christian atmosphere of love, nurture, and wonder.

Chapel (for the three-year-old and four-year-old classes) emphasizes God our creator, Christ our Savior, and the Holy Spirit our comforter.

Our school year begins the last Monday in August and ends in May (9:00 a.m.-11:59 a.m.). We follow the public school system's scheduled and weather related closings.

We have classes for children who are one, two, three, and four years old. You can choose a three day a week program

(M-W-F) or a two day a week program (T/TH). We also have a M-F class for 4 year-olds.

Our curriculum is play-based and developmentally appropriate: toys, activities, and learning centers in the classroom provide opportunities to develop social, emotional, fine motor, gross motor and cognitive skills as children play.

Teachers plan activities for the science, library, dramatic play, block, art, sensory, and/or manipulative learning centers based on the monthly theme. These activities help children grasp new information while exploring at their own pace.

Children can build with blocks, draw or paint in the art center, pretend to be anyone they choose in dramatic play, browse through books, master a puzzle, or discover properties of sand and water at the sensory table.

Interactions between children and teachers are important in a pre-school environment, so the teachers read, work, play and converse with children daily.

There are several special events throughout the school year: The Family Thanksgiving Feast, Christmas Program, Spring Sing, and End of Year Family Picnic.

We offer an extended day on Wednesdays and Thursdays until 2:15 for an additional \$10.00 per day. Parents send a sack lunch on those days only.

Monthly Tuition

MWF \$126

T/TH \$100

M-F Pre-K 4 \$196

Registration

\$40

M-W-F 1, 2, 3, & 4 years-old

M-W-F Three & Four-Years-Old

\$60

T/TH Three and Four Years- Old

\$100

M-F Pre-K Four-Year-Olds

We are very proud to have served the Clarksville community since 2000.

Many children have enrolled as one-year-olds and returned each year, graduating from our Pre-K classes.

Our enrollment capacity is 105 children, and new students can enroll at any time during our school year.

Registration begins each February for the upcoming school year.
