## Growing Up Strong and Safe

Dear Parent,

At Open House we spoke with parents about the personal safety curriculum to be used with the children. If you were unable to attend the meeting you may stop by the office or ask your child's teacher to explain the curriculum.

We have chosen to use Growing up Strong and Safe which is provided by the Department of Human Services. This curriculum is designed for children to learn how to handle different situations ranging from feelings, bike and car safety, strangers, safe and unsafe touches and more. This is NOT a sex education curriculum.

A parent letter will be sent home after each of the five units have been taught, which will summarize the goals and objectives of the unit and suggest ways in which you can reinforce the concepts at home. We will begin the curriculum after September 15<sup>th</sup>.

Please sign and return

---

I give permission for my child \_\_\_\_\_  
to participate in the safety curriculum.
